Single issue nearest to filing date, September 1992. Total 53,745; paid circulation by mail subscription, 48,060; sales through dealers and carriers, 0; free distribution (including samples) by mail, carrier, or other means, 640; total distribution, 48,700; office use, leftover, unaccounted, spoiled after printing, 5,045; total net press run, 53,745. Diana McAninch, Managing Editor.

I feel better already.
My doctor took the time to
really explain my medicines.

I wish mine did.

atient surveys make it clear. Your patients want to know more about their medicines, e.g., how and when to take them, for how long, precautions and side effects. Do disappoint them.

The National Council on Patient Information and Education (NCPHE) has free materials to help you "Communicate Before You Medicate."
